NEWS RELEASE

EIS Wins Spot on \$50 Billion GSA Alliant 2 Unrestricted Contract.

Vienna, Virginia – August 1, 2018 – Enterprise Information Services, Inc. (EIS) has been awarded a GSA Alliant 2 Unrestricted IDIQ contract. Alliant 2 is a **5-year base period, a 5-year option**, \$50 billion IDIQ Government-Wide Acquisition Contract (GWAC) for information technology products and services. The Alliant 2 master contract’s scope includes big data, cloud computing, cybersecurity, agile development, biometrics and identity management, sensors and radio frequency identification, data center consolidation, shared IT services, web analytics and hosting, software development, internet of things, and related IT support services.

EIS Senior Vice President and Alliant 2 Capture Manager, Robert Darlington said of the award, “This extremely important win reflects EIS’ strategic commitment to continued growth and confirms that we offer the Federal Government the quality products and services to improve their business operations, enhance their customer service, increase security and modernize their IT infrastructures.”

EIS is a premier provider of Systems Engineering, Information Technology, and Program Management services and solutions to the Federal Government. EIS is an agile and dynamic company with relentless focus on customer mission success and delivering the best value to all our clients under all engagements. EIS employs over 350 professionals. EIS is a CMMI DEV and SVC Maturity Level 3 appraised, and ISO 9001:2015, ISO 20000-1:2011 and ISO 27001:2013 certified company.
